Outdoor
Collection

ALTEK

Handcrafted pieces with aesthetic design and a sophisticated look will create a cozy atmosphere full of colors and sensations.

Aluminium frames provides a sturdy base for the furniture, while ropes and textiles add a unique and stylish touch of design and comfort.

Elevated outdoor cooking, with comfort and style.

Our premium outdoor kitchen collection is crafted for those who cherish the joy of cooking and sharing under the open sky. Made from high-quality aluminum, each kitchen blends durability with refined design, turning terraces, gardens, and poolside areas into sophisticated culinary spaces.

It's more than a kitchen—it's an invitation to savor every moment outdoors, with elegance, comfort, and connection.

KITCHEN COLLECTION

Stone

Outdoor Kitchen

Inspired by the essence, authenticity and texture of ARKÈON by Giuseppe Bavuso

ARKÈON was conceived as a research laboratory — on material, where Aesthetics and Ingenuity come together in a clear and distinctive language.

The collaboration between Infinity and Giuseppe Bavuso reflects a pure and rigorous vision, where the essence of form interacts with design precision.

Junkers

Outdoor Kitchen

Inspired by the iconic Junkers aircraft, Altek Design and its multidisciplinary team have created a collection of outdoor kitchens.

Reinterpreting a new icon for the company

to preserve history and relaunch it at the same time, combining it with innovation and the latest technology.

Modular

Outdoor Kitchen

Designed according to your needs.

Modular kitchen is a system of kitchens that adapts to your space and your habits, as it can be tailored to the way you want to live your outdoor spaces.

It is the harmony between aesthetics and functionality.
